EXPERIENCE

BRAND DESIGNER, PROF SR, NIKE NA DTC — NIKE WORLD HQ

November 2015 – November 2016, February 2017 - Present

Collaborated with multiple design departments to develop innovative retail environments pairing visual and physical experiences.

Developed store design schemes, technical drawings, and presentations to communicate design concepts.

Actively maintained awareness of current trends, color, technology, and other related design influencers.

PRODUCTION ASSOCIATE — CHAIRISH

October 2014 – October 2015

Maintained and curated a broad selection of consignment furniture and accessories.

Produced written analysis on the history and design of a variety of products and furniture.

Managed quality control of product photography and verified pricing for listed items.

INTERIOR ARCH. DESIGNER — FIELDWORK ARCHITECTURE & DESIGN

November 2014 – April 2015

Collaborated with a team of architects, interior designers, and fabricators on residential, retail, and office environments.

Created inspiration boards, concept designs, 3d models, renderings, presentations, and technical drawings.

PRODUCT DESIGN INTERN — ULIKO, INC.

Summer 2014

Designed furniture and accessories to showcase Uliko's line of textiles.

Assisted material specialists in selecting woven and knit textile swatches for companies.

Developed innovative material patterns for upcoming seasonal trends.

VOLUNTEER

DESIGN VOLUNTEER — THE MELT

December 2013

Worked with a product development team to fabricate a viable Smart Box for maintaining a grilled cheese consistency in a mobile environment.

VISITING ARTIST — CONVENT OF THE SACRED HEART HS, ART DEPT.

2009 – 2014

Assisted art students in developing creative portfolios for college applications.

Led student tours on Architecture walks through SF's most diverse neighborhoods.

DESIGN INTERN ABROAD — GLOBAL STUDENT EMBASSY, TANZANIA

Summer 2011

Led a student group in building a pop-up library, constructing a green house, painting murals, and grafting trees.
